All full-time traditional undergraduate students enrolled for a minimum of twelve credit hours will automatically be enrolled in the Jacksonville University Student Medical Insurance Plan. The premium for annual coverage is added to the tuition billing upon fall registration. United Healthcare has been selected as JU's 2018-2019 provider.

All eligible students who have other comparable insurance coverage must file a waiver online by August 31, 2018 in order to waive participation in the Student Medical Insurance Plan.
