JU Alumni

Atlanta Dolphin Club

On Wednesday, January 9, the Atlanta Dolphin Club met up for networking, food and fun before the JU vs. Kennesaw State Men's Basketball game in Georgia. We then went on to watch our Dolphins conquer the Owls 90-70!

This was the last Dolphin Club trip for one of our beloved Alumni Programs team members - Pat Reeves P'00, P'03 - who is retiring this month after over 20 years of service to JU and our Dolphin Family. We know many of you have come to know and love Pat over the years, so we want you to have a chance to wish her well.

If you would like to share a note and/or photo with Pat, please email alumni@ju.edu or mail it to:

Brooks Rehabilitation College of Healthcare Sciences Student Spotlight

Just prior to holiday break, Jacksonville University Doctor of Occupational Therapy (OTD) students Erica Lyons and Janine Herrera delivered holiday greetings on behalf of their class to Bartram Lakes Assisted Living residents. They were so grateful for each and every holiday card!

The residents look forward to seeing the JU-OTD Class of 2021 this month, as these students plan to provide New Year cards and a round of bingo. We're proud of our #JUOTD students for showing the JU spirit of service in our community.

Exclusive New Giving Circle

Launched in 2018, the Shircliff Circle, named for devoted supporter Robert "Bob" Shircliff, honors the individuals, corporations and foundations who make gifts to Jacksonville University for three or more consecutive years.

The devoted annual support of alumni like you deepens the roots of our University, and is essential in the success and growth of undergraduate and graduate programs, community engagement and providing exceptional educational experiences for our students.
