Alumni Spotlight: Brian Frus '01, Bryan Beck '12, Maria Beaty '19

The [Cummer Museum of Art & Gardens](#) is highlighting five glass artists with strong Jacksonville University ties in "Glass Here," an exhibit in the new Pop Up Art Shop inside Cummer's Bank of America Concourse from now until January 5, 2020.

"Although each of the showcased artists are at different stages of their careers with different inspirations and aesthetics, their pieces coalesce around the overall theme," said Brian Frus '01. From Ms. Beaty, who graduated in 2019, to Frus himself, who took a recreational glass-blowing class at the University when he was in high school that inspired him to pursue his artistic passion, the artists' pieces represent an eclectic mix of modern, geometric inspired designs to others inspired by the natural world.
