

[Global Toast is coming to a city near you!](#)

Global Toast is our way of encouraging all Jacksonville University alumni, friends and families to come together and raise a glass in honor of the University's 86th birthday. You can get together as a group of Dolphins or simply send us a selfie from your office, living room, or the best local haunt in your city throughout the day using #JUTOast.

The Office of Alumni Engagement is working with Dolphin Clubs around the U.S. to schedule toasts on April 16. Contact alumni@ju.edu or (904) 256-7202 if you are interested in hosting one in a city near you.
