

Read below about our new Diving Deeper series, student engagement, and more!

### [Diving Deeper Video Series](#)

This fall, we're flipping our phone around to give you a closer look at what's happening on campus and *diving deeper* into the topics you want to know more about. First up, hear from President Cost '81 about how you play a critical role in supporting our Dolphin Community this fall, and check the [JU Parents and Families Facebook group](#) for new content regularly.

Have an idea for a future episode? Let us know what else you'd like to hear more about by leaving a comment on the Facebook group or emailing [family@ju.edu](mailto:family@ju.edu).

### [The Center for Student Engagement & Leadership](#)

The Student Solutions Center at Jacksonville has been reimagined into the Center for Student Engagement & Leadership. The Center for Student Engagement & Leadership will oversee the Student Government Association, Dolphin Productions, Clubs & Organizations, Fraternity and Sorority Life, and New Student Orientation. The Center for Student Engagement & Leadership looks forward to continuing the great work of the Student Involvement staff to support all students and the initiatives they want to be involved in on campus.

### [Virtual Student Organization Fair](#)

Encourage your students to attend this year's virtual Student Organization Fair on August 25 from 3:30-9 p.m. via Zoom. The Center for Student Engagement & Leadership is excited to bring an engaging and dynamic virtual experience to your students. Each organization will be assigned a time slot and a Zoom Breakout Room. In each breakout room, students can hear about the details of the organization, meet new potential members, view presentations, and much more! Details will be shared with your students on [Presence](#).

Jacksonville University's Annual Career Expo is going virtual! If you or your business would like to be represented at the expo to help support JU students, sign up and register for sessions on [Handshake](#) today!

Parents, please encourage your students to put on their most professional attire, grab their computer, and join [Career Management](#) for the opportunity to meet with dozens of employers virtually. This is JU's biggest corporate recruiting event for the 2020-2021 academic year - the best opportunity to learn and secure a job, internship, and/or industry connections. Students can register now through Handshake and learn more about what they need for JU's first virtual Career Expo.

Questions? Contact Career Management at [careers@ju.edu](mailto:careers@ju.edu) or (904) 256-7054.

## [Ready to Return](#)

We encourage you to continue to reference the [Ready to Return website](#) for updates on campus life this semester as CDC guidelines and best practices evolve.

You can check the [Active Cases page](#) for updates on any COVID-19 positive tests within the JU campus community. Your student's safety is always our first priority!

## [President's Parents Council](#)

Jacksonville University's President's Parents Council (PPC) is an important group that serves as a liaison between campus administrators and the parent body. President's Parents Council members serve as representatives in their geographic area to prospective Jacksonville University students and families and make future Dolphins feel welcomed into the Dolphin Family. Members of the Council support the University by making annual gifts at the [Order of the Dolphin](#) level and receive direct access to the president and executive staff. The PPC is encouraged to provide the University with direction by studying issues, offering guidance, and acting as liaisons to administration on key issues for our campus and in higher education. The Office of Family Engagement will be reaching out to families who are interested in joining this fall.
