PARKING & TRAFFIC REGULATIONS

Academic Year: 2019-2020

PARKING RULES & REGULATIONS:

Jacksonville University traffic and parking regulations apply to all students, faculty, staff and visitors. The Department of Campus Security is responsible for the enforcement of traffic and parking rules and regulations at the University. Jacksonville University assumes no responsibility for damage to or loss of any vehicle or its contents at any time it is operated or parked on the campus.

GENERAL INFORMATION

Operating and parking a motor vehicle on the JU campus is a privilege extended by the University. Violation of the rules and regulations can result in suspension or revocation of the privilege to drive and park on University grounds. Surveys and traffic counts conducted on a regular basis show that on any given time of day, legal parking is available on campus. Parking includes parking, standing, or stopping. All students and employees of the University holding a valid operator's permit issued by the Division of Licensing in their state, are permitted to operate and park properly registered motor vehicles on campus. All persons who operate a motor vehicle on campus are expected to comply with all traffic and parking regulations. A person who registers a vehicle is responsible for ensuring that the vehicle is operated in compliance with all traffic and parking regulations. For example, the registered owner of a vehicle will be held responsible for any parking citations received by someone who is operating the vehicle or allowed to utilize his or her issued permit. **These regulations apply all year long, 24 hours per day, including academic breaks and in all weather conditions. Permits/decals remain the property of Jacksonville University and are not transferable between vehicles or persons.**

REGISTRATION REGULATIONS

- ▶ Temporary permits may be issued for up to 14 days in the event of issues with obtaining a registration, purchase of new vehicle or temporary guest. If extenuating circumstances exist please consult with a campus security supervisor.
- ▶ All vehicles parked on campus by students and employees must be registered with the Campus Security Office and must display a current parking permit. Employees and students are allowed one permit/decals. Shared vehicles are allowed one permit/decals only.
- ▶ All persons registering a vehicle must bring their JU I.D. and vehicle registration to the Campus Security Office located at the Green Street entrance during the hours of 7 a.m. – 6 p.m., daily (extended hours at the beginning of each semester).
- ▶ **Permits/decals or hangtags are not transferable. All student permit/decals must be affixed to the interior of the vehicle driver's side lower corner of the front windshield. Employee hangtag/permits must be hung from the vehicle's rear view mirror where they are in plain view.** Failure to display the permit properly will result in a parking citation. The permit is issued to an individual and therefore any violations attributed to the permit become the individual's responsibility. Please keep this in mind when you loan your vehicle to someone else.
- ▶ Registration forms are available on-line and may be completed and printed prior to coming to Campus Security. To access the online form go to WebAdvisor.
- ▶ If your permit/decals or hangtag is lost or taken, a new decal must be obtained from the Campus Security Office as soon as possible. If a new decal is not obtained, you will be held responsible for any citations associated with that permit/decals.
- ▶ A change in a student's residency, enrollment status, vehicles, or vehicle's state registration requires students to obtain a new parking permit or remove a parking permit based on their new status.
- ▶ **All student parking permits will expire on August 31, 2020.**
- ▶ A damaged or defective permit/decals or hangtag will be replaced at no charge if returned to the Campus Security Office.

TRAFFIC REGULATIONS

- ▶ Traffic rules and regulations and directive signs governing the operation and parking of motor vehicles are in effect at all times unless specifically limited by the Campus Security Office.
- ▶ Motorists must yield the right of way to pedestrians and bicyclists.
- ▶ All vehicles must comply with the posted speed limits on campus. The speed limit is 15 mph for all roadways. The speed limit in all parking lots is 10 mph or less depending on traffic conditions.
- ▶ Driving on sidewalks, paths, on grass, or off-road is prohibited. Parking on roadways, fire lanes, service driveways, sidewalks, paths, grass, off-road, or along any curb is prohibited.

- ▶ Tearing down, altering, defacing, or removing any sign or traffic control device including traffic cones is prohibited. Acts as described may subject the offender to administrative sanctions or criminal prosecution.

PARKING REGULATIONS

- ▶ Parking on the Jacksonville University campus is only permitted in marked parking spaces in authorized parking lots. All parking lots are marked with color coded signs designating which permit(s) may park in the lot. Parking designations are enforced from 7 a.m. – 5 p.m., Mon – Fri. Parking designations are: **Employee (E); Resident Student (R); Commuter (C); Orthodontics Students (C); Visitor (V); Patient (O); and Residential Life (RL)**
- ▶ The absence of NO PARKING signs does not imply that parking is allowed. Before parking in an area that is questionable, call the Campus Security Office at 904-256-7585. Parking in designated parking lots is restricted to the marked spaces only. Vehicles parked outside of marked spaces, in handicap spaces, Purple Heart spaces and/or along curbs (painted and unpainted) are subject to being issued a citation and/or towed.
- ▶ Parked vehicles must not obstruct access ramps, loading zones or traffic, or obstruct access by any emergency vehicle such as fire department, emergency medical services, or police. Parked vehicles cannot interfere with normal University operations or create a hazard. Vehicles parked in such a manner are subject to being issued a citation and towed. **The City of Jacksonville Parking Enforcement Division may also enforce parking regulations on campus such as; handicapped parking, fire lane, and expired license plate violations.**

- ▶ Repairs to vehicles parked on campus such as oil changes, or other mechanical work are not permitted.
- ▶ The University parking map, located on the reverse of this page, as well as signs throughout the campus indicate where students with current permit/decals are permitted to park. Signs may be damaged, destroyed, or temporarily moved, so the provided map should be regarded as the governing document as it relates to parking lot designation.
- ▶ **Students are not permitted to park in any parking space marked Employee or Visitor during the hours of 7 a.m. – 5 p.m., Mon. – Fri. year round. Students are not permitted to park in any Reserved space 24/7 year round.**

Bicycles are not permitted in the University buildings.

- ▶ All bicycles are required to be registered with the Campus Security Office. Registration for bicycles is free of charge and involves the collection of the bicycle's identification information. Only those with valid JU parking permits may go through the appeals process. The appeal must be filed within 15 calendar days of the date the citation was written. Appeals submitted after this deadline will not be considered. The grounds for filing the appeal must be that you were not in violation of the parking rules, not that you do not agree with the rules or fine amount.
