

Purpose

The purpose of this document is to outline the necessary elements for recruitment and informed consent of human subjects participating in internet-based research studies. These criterion are published by the [Office for Human Research Protections \(OHRP\)](#) and adapted by Jacksonville University’s Office of Research and Sponsored Programs.

This Internet Research Consent has been drafted into a separate template for ease of use in copying and pasting it into an online platform rather than using the paper form for consenting. Please remember that all verbiage meant for consenting adults must be written at an 8th grade reading level.

INSTRUCTIONS: Use the sample below and replace all text in brackets with information applicable to your study. Please read carefully and be sure that all bracketed text is either replaced or deleted.

SAMPLE OF INTERNET INFORMED CONSENT BELOW:

I. Identification of Investigator and Purpose of Study

You are invited to participate in a research study, entitled “[YOUR STUDY TITLE HERE].” The study is being conducted by the researchers listed below:

- **[INSERT NAMES, DEPARTMENT, AND PHONE NUMBER HERE]**

The purpose of this research study is to examine **[INFORMATION HERE]**. Your participation in the study will contribute to a better understanding of **[INFORMATION HERE]**. You must be at least 18 years old to participate.

If you agree to participate:
