Guidelines and Release Form

Welcome to the office of Disability Support Services (DSS) at Jacksonville University (JU). To be eligible for services at the DSS, a student must satisfy the definition of a disability as established by the Americans with Disabilities Act of 1973. **Section 504 defines a disability as a condition which substantially limits one or more major life activities such as learning, walking, seeing, hearing, breathing, caring for oneself, and working.** *To be eligible for accommodations, a student must provide appropriate documentation of each disability that demonstrates an accompanying substantial limitation to one or more major life activities.*

The following guidelines are provided in the interest of assuring that professionals' statement is appropriate to document eligibility for support services. The student with a disability must provide the office of DSS appropriate written documentation from a licensed professional in the field concerning the specific diagnosis and expected academic limitations.

The documentation must be within the last 3 years. However, the DSS reserves the right to make modifications to this time frame.

I, Print Name , hereby authorize the following information as well as any other pertinent documentation to be forwarded to the office of Disability Support Services at Jacksonville University for the purpose of determining my eligibility for academic accommodations.

Student's Signature:	Date:
Student Id#:	

Important: In order to avoid room for misinterpretation of the following documentation, we request for it to be typed and not handwritten.

Documentation Guidelines for Psychological & Psychiatric Disorders

The following information is to be completed by a psychiatrist, psychologist or other licensed mental health practitioner. After completing this form, please fax or mail it to the office of Disability Support Services at the address at the end of this document. The information you provide will not become a part of the student's educational records but will be kept in the student's file at Disability Support Services where it will be kept confidential. Please contact staff at the office of Disability Support Services if you have questions or concerns. Thank you for your assistance.

1. Diagnosis:

2. Diagnostic Codes (if applicable):

3. Date of Diagnosis and Prognosis: _____ Permanent _____ Temporary

4. Most recent GAF score and/or level of severity:

5. Are there any coexisting conditions, including medical disabilities and learning disabilities that should be considered when providing accommodations (describe if necessary)?

6. In addition to DSM IV criteria, how did you arrive at your diagnosis? Please check all relevant items listed below, adding any comments that you think would be helpful to us as we determine appropriate accommodations and services for this student.

- Interview with the person him/herself
- Interview with other persons
- Behavioral observations
- Developmental history
- Educational history
- Medical history
- Neuro-psychological testing
- Psycho-educational testing
- Educational testing
- Rating scales
- Other (please specify) _____

Comments:

Please, attach copies of testing reports if available

7. Relevant test results or clinical observations used to determine diagnosis: _____

8. Describe symptoms which meet the criteria for diagnosis, and how these symptoms impact the individual's ability to perform in a college setting:

9. What is the student's prognosis? How long do you anticipate the student's performance in a college setting will be impacted by the disability?

10. Check below the major college life activities that are affected to a substantial degree because of the disability:

Eating	
Writing	
Sleeping	
Test-Taking	
Learning	
Regular class attendance	
Organization
